Role assumed in the affair **LÉGERET**

François LÉGERET wrote twice to the President of the supreme Federal Court, Gilbert KOLLY, submitting requests of reconsiderations concerning decisions of the Federal Court formulated by obviously stubborn and partial Magistrates (letters of December 30, 2013 and November 23, 2015), explaining clearly the obsessions of those magistrates. Unsurprisingly KOLLY, called «the commanding tank buster» did blindly cover his colleagues and wiped away these requests without entering into the subject.
