Dear Sir,

Switzerland is the preferred country of the Bilderbergers, designated as well as World Government, since you are preaching the New World Order. Informed people know very well that Switzerland is the most corrupt country in this world. The engaged amounts of corruption per capita of Switzerland is beyond any competition. In addition, the Canton of Vaud which you selected for your annual meeting 2019 is a Canton ruled by the judiciary banditism of the Freemasons.

We will be briefed very soon about your discussions. For sure, you will not speak about the problems oppressing the world population, and in particular the situation in Europe:

- 1. The European judiciary system is irredeemably degenerated and irreformable, since no international instance is surveying the implementation of the human rights: The European Court of Human Right is rejecting 99 % of the applications and the High-Commissioner for human*

rights of the United Nations (foundation launched by e Rockefeller) are not even acknowledging receipt of the complaints.

- 2. The incredible concentration of assets, in contradiction to social justice and principles of a responsible capitalism. The fortune of the ROTHSCHILD clan is estimated to amount to five hundred thousand billions of Euros. The Queen of England is owning as a private person almost 1/5 of the earth's land surface etc. The rest of us, we are their slaves.*
- 3. The political instability in our world, with the endless wars. The former defense pact of the Northern Atlantic, the NATO has muted and become nowadays the most powerful criminal organisation worldwide. Each armed conflict is feeding the arms industry, and thereafter, the Spoils of War can be shared.*
- 4. Mandated by the CLINTONS, Georg SOROS and Warren BUFFET, Al GORE is managing a multibillion foundation of the climate swindle. The naive youth and green politicians are kept busy, diverting their attention from the real problems:*
 - The extinction of species, caused by the human overpopulation*
 - The advancing destruction of nature due to the massive migration towards Europe, sponsored as well by the same SOROS, formerly the plunderer of the central banks, as henchman of the ROTHSCHILDS and cronies*
 - The dangers of irradiation, among others by the technology of 5G*
 - The worldwide judiciary disaster*

Obviously, these are not at all the concerns for the participants of your illuminated conference:

Transmit please my regards to the 3 Swiss Confederates invited to the event:

Ueli MAURER, President of the Confédération

André KUDELSKI, Vaudois entrepreneur and your permanent member

Pietro SUPINO, chief of Tamedia, i.e. an oligarch of the printed Swiss media

You will certainly not save the world, since your business is flourishing.

To you, Henri DE CASTRIES
