

## *Interview - COVID-19*

### *Summary*

*The justice critic Gerhard ULRICH dares to analyse the problem of the Corona madness with managerial methods as an amateur. Following the example of others, he researches on the Internet himself in order to form his own opinion and not to parrot the lyre of the enslaved journalists.*

*ULRICH discovered the dissenting voices of well-known scientists (MONTAGNIER, WODARG, RAOULT, BHAKDI etc.) as well as of practicing physicians, who credibly prove the nonsense of the counterproductive WHO strategy, and which is unfortunately carried out blindly by most European countries. The puppet masters of the New World Order, who have long since compromised themselves with their proclamations, believed that the time had come for them to take over the rule of mankind. Their right hand GATES has probably prematurely revealed himself as a false philanthropist who wants to make humanity happy with compulsory vaccination and microchip implantation. More and more people are waking up today and fighting for their basic rights and freedom. The WHO vassals cannot do any other thing than to continue their unfounded scaremongering strategy to cover up their false alarm.*

*To ULRICH's delight, the number of professors who are labelled conspiracy theorists by the mainstream rabble is exploding. The involvement of GATES with the WHO, certain governments and cartel media as well as research institutes has been exposed and proven. These people do not deserve the mercy to pass for idiots. They are corrupt.*

*The critics of the Corona madness are thus not conspiracy theorists but whistleblowers who are systematically pursued.*

*The economic losses, collateral damage and psychological suffering caused are opening the eyes of more and more people.*

*ULRICH foresees that the plans to domesticate people as Farm animals will not succeed.*

*US President TRUMP and Russia's President PUTIN oppose the satanic conspirators of the New World Order. The masses are awakening.*

*Freedom will triumph!*

1. Question :

*Gerhard ULRICH, you are known as a critic of justice. How did it come that you started to be interested in the topic of Corona?*

*Answer:*

*Until mid-March 2020, I followed the daily reports of a flu epidemic in the Chinese city of Wuhan only marginally. When I got curious, I opened an archive and started collecting information. On March 25, a French Lady doctor informed me that corpses were being tested for a Corona virus in France. Her conclusion: this is not a pandemic, but a viral chimera. On March 19, I was impressed by an interview with the very competent German lung specialist and health politician Wolfgang WODARG. Other convincing publications hailed, e.g. from the German business journalist Ernst WOLFF and the French professor Didier RAOULT.*

*On 27 March I dispatched my first circular mail « The pandemic mass hysteria ».*

2. Question :

*What is your working method?*

*Answer :*

*The contradicting messages obviously represent a deviation from normal. Therefore I created an inventory according to the management method KEPNER TREGOE: What exists? What does not exist?*

*At the beginning I was confused, like all fellow human beings. It is not so easy to distinguish the wheat from the chaff. Because it is teeming with statements. Gradually I was able to piece together an increasingly rich puzzle.*

*From my experience as a 20-year-old professional justice critic, I know that the cartel media censor and disinform. But you also don't know whether the information you find on the Internet is really true. I have to admit that it is possible to consider something unimportant today, but that really revealing reports are underestimated. I therefore do not claim to know the absolute truth. In retrospect one is always wiser.*

*The important thing is that you do your own research and form your own opinion, and not simply accept the brainwashing of state television. Of course it can happen to me that my memory cannot always reliably classify my sources. So I act as an amateur.*

*3. Question:*

*Where does the COVID-19 virus come from?*

*Anser :*

*The first COVID-19 deaths occurred in the Chinese city of Wuhan.*

*The French Pasteur Institute has sold a research institute to the Chinese, as demonstrated by the state visit of the then French Prime Minister' Bernard CAZENEUVE to Wuhan on 23 March 2017.*

*The capitalists have once again sold the rope on which they can be hung. Wuhan is also said to have a strong 5G network. I don't know if the Corona disease is related to that.*

*The Nobel Prize winner for medicine, Prof. Luc MONTAGNIER, discoverer of the AIDS virus, proved that the COVID-19 virus contains molecular sequences of the AIDS virus. He therefore considers it proven that it is an artificially created biological weapon.*

*He thinks the virus has accidentally spread to the city of Wuhan. Only the Chinese know this for sure. However, since the Chinese immediately reacted with very drastic measures (quarantine, closing of the export ports etc.), they knew the danger of this microbe.*

*4. Question:*

*So we are dealing with a pandemic?*

*Answer :*

*No. According to WODARG, the World Health Organization (WHO) has changed the definition of pandemic downwards in order to be able to declare a pandemic in this case.*

*David ROCKEFELLER predicted as early as 1991: « We are on the verge of a worldwide transformation. All we need is the right, all-encompassing crisis and nations will agree to the New World Order.»*

*The grey eminence of French politics, Jacques ATTALI prophesied on May 3<sup>rd</sup> 2009 that it was to be hoped that a future pandemic would trigger off « structuring fears ». Then, a real world government could be established faster than expected.*

*On April 11, 2020, Henry KISSINGER announced: «The pandemic of the Corona will change the world order forever.»*

*ROCKEFELLER, KISSINGER and ATTALI are prominent promoters of the New World Order.*

*The colonel of the Russian secret service Vladimir KVACHKOV speaks of the Corona lie. Apparently, President Donald TRUMP does neither trust the way of how the COVID-19 is handled by the WHO.*

*Therefore I feel legitimized to negate the "pandemic". In doing so I refer to the WHO statistics, although their validity is questionable.*

*So far the numbers. However, COVID-19 is dangerous for those affected. That is why it is so easy to frighten people with such reports. It also provokes bitter discussions between people who rely on numbers and those who only see the danger of terrible suffering.*

#### *5. Question:*

*In the USA mass graves for the Corona victims had to be dug. And what about the high mortality rates, for example in Italy?*

*Answer :*

*One must always put such figures in relation to the number of flu deaths in recent years, and not simply stir up panic with bare figures.*

*On 27.05.20 the WHO recorded 348'000 corona deaths. Every year, between 0.3 and 1.8 million people die from influenza (according to WODARG). This year's Corona epidemic decimated less than half a per mil of the world population. If we had no tests, no problem would have been detected. I still don't know whether there is actually a test method that selectively detects COVID-19, or whether we can only detect Corona viruses.*

*France is considered to be a particularly affected country. But not even there is an excessive death rate. As of 20 May, France recorded 1 corona death for every 2,382 inhabitants. Only 5 countries have relatively higher death rates : Belgium, Great Britain, Spain, Italy and*

*Mexico. Only in these countries a slightly excessive mortality rate may be expected. It is probably the case with every wave of flu that some countries pay a greater toll than others.*

*An American doctor with whom I correspond does not believe in the mass grave story. In fact, the relative mortality figures in Switzerland and the USA are comparable. Scribblers would probably have simply photographed the mass graves, which have always been common for the poorest of the American society.*

6. Question :

*How do you explain the excess mortality in these countries?*

Answer :

*The more you test, the more corona infected you find. And the test methods are not consistent anyway. If you include accidental deaths that have been tested Corona-positive in the statistics, the numbers will bounce up.*

*Experts also speak of the nocebo effect. It can be presumed that the placebo effect is well known. The nocebo effect occurs when people are kissing the dust by pure panic.*

*The heavily hit countries all have catastrophic health systems.*

7. Question :

*You just mentioned the questionability of the COVID-19 test. What about it?*

Answer :

*The President of Tanzania, John MAGUFULI, a scientist, provided the WHO experts with 3 frotis, among others - of Elizabeth, John and Anna, without telling the WHO people that Elizabeth was a goat, John a rabbit and Anna a papaya fruit. Elizabeth and Anna were declared Corona positive and John negative.*

*The underdeveloped Africans found out about the WHO swindle and now the African countries are discussing to turn their backs to the WHO.*

8. Question:

*You are describing a worldwide conspiracy. Are you a conspiracy theorist?*

Answer:

*No, I consider I myself a whistleblower among many others who have proven the worldwide conspiracy of the oligarchs. As a critic of justice, I found out after 19 years of discovery that no international authority enforces human rights. This cannot be an oversight. Hard fact.*

*In the case of the Corona epidemic, one can also see a cartel of the vaccine industries, or speak of a cabal. Clever independent German journalists have discovered the connexions of the WHO, the mainstream mass media (ARD, Der Spiegel, Die Zeit, Die Süddeutsche etc.etc), and the research institutes (Charité, Robert-Koch-Institute etc.), which are all served with Bill Gates' watering can. Surely one cannot speak of connexion theorists. The connexions have been proven. I am proud to be a pioneer who has been branded a conspiracy theorist. Now the number of professors desperately reviled as conspiracy theorists by the cartel media is skyrocketing.*

*The CIA disinformed after the never-clarified assassination of John F. KENNEDY and maneuvered the critical minds into the offside with the insult to be conspiracy theorist. Psychological warfare against the own people. This up to date successful machinations are understood by more and more people.*

9. Question:

*A conspiracy doesn't necessarily have to be a negative thing. What do you think?*

Answer:

*Of course it makes a difference whether positive or negative ethical goals are pursued.*

*After all, the Swiss Confederation was founded at night on the Rütli meadow at the beginning of August 1291 thanks to a plot.*

*It is also said that American army generals, who considered the CIA's Deep State to be disastrous, secretly joined forces 20 years ago, which then culminated in the election of the outsider Donald TRUMP in 2016. Since taking office, TRUMP has been cleaning up the svamp. His*

*positive results can be seen, despite the slandering of the cartel media directed by the secret powers.*

*10. Question :*

*Which actors do you see involved in this Corona madness?*

*Answer:*

*Bill GATES has come out as the vaccination messiah. He wants to forcefully inoculate all 7.5 billion people on earth. The GATES/WHO Joint Venture Gavi in Geneva is tinkering with microchips and the Q Drop developed by the Massachusetts Institute of Technology, which would identify and locate all humans. This could then be implanted in us simultaneously with the vaccine. Humans would be domesticated as Farm animals, and owned by the oligarchs.*

*Bill GATES boasted that he had invested 10 billion in the vaccine industry and earned 200 billion as return on investment - his most successful enrichment in his life. A philanthropist indeed.*

*Bill GATES and Georg SOROS are probably just the errand boys of even more powerful oligarchs, like the ROTHSCHILDS, the ROCKEFELLERS etc.*

*Only 3 world powers can counter them: The USA, Russia and China. The British Prime Minister Johnson has tried to break away from the WHO dominance, but to the delight of Queen Elizabeth he had to give in temporarily. Japan, South Korea and Sweden do have the merite for having successfully develop immunity among their populations, without destroying their economies.*

*All other states let themselves be manipulated by the new world government WHO with the help of the media mouthpieces to implement a scaremongering strategy.*

*Emanuel MACRON, Angela MERKEL and Ursula VON DER LEYEN are their most zealous henchmen.*

*Pope Francis has taken the side of the satanic cartel. He describes the coming compulsory vaccination as a Christian duty, out of consideration for the health of society.*

11. Question :

*And what are the results of this scaremongering?*

Answer:

*The WHO vassals have blindly adopted the Geneva strategy. They have not only destroyed the world economy. We still don't know what's ahead of us.*

*Immense collateral damages have been caused: operations on thousands of patients have been postponed. How many thousands of people have died?*

*The hospitals remained largely empty. Proof: Some of the nursing staff were sent on short-time working. The Swiss hospitals reported enormous financial losses. Precisely because they remained empty*

*The panic mongering caused overmedication :*

- administration of morphine, which as a side effect can cause respiratory distress, thus aggravating Corona pneumonia.*
- Administration of Cortisone. The fever is lowered, but the build-up of Natural defense is stopped.*
- Unnecessary intubation with high-risk and traumatizing respirators. According to WODARG, it would be more sensible to let severely ill patients inhale concentrated oxygen with respiratory masks.*

*The senior citizens were decimated even more by the panic-mongering. In France they even speak of genocide of the elderly.*

*Human suffering cannot be quantified; for example, the elderly who were needlessly put into quarantine. In general, old people are discriminated, marginalized and isolated.*

*The panic-stricken people who keep their distance, get themselves locked up and wear masks (which according to Professor Sucharit BHAKTI are harmful to their health) pay with a loss of the quality of human relationships. This causes terrible psychological damage.*

12. Question:

*Why is resistance growing in the population?*

Answer:

**The most enormous collateral damage is the loss of our fundamental rights and freedom.** The Swiss federal Constitution was replaced by the illegal COVID-19 decree of the Federal Council. And a return to normal conditions is not in sight. The WHO is heating up the governments of its member states and warns against the second wave. WODARG, RAOULT, BHAKDI and others say that this risk does not exist.

The terror of opinion of the rulers has reached unbelievable proportions. According to MERKEL, citizens should not believe rumors, but only the official announcements. This motivates people to find out for themselves on the Internet and then they go on the barricades.

It has not escaped people's notice that academic freedom has been buried on the orders of the WHO. Leading scientists, who oppose the Corona madness, are censored and dragged through the mud by the Mercenary scribblers. But all this does not help the powerful. More and more people go out onto the streets. The silent majority is still making a fist in the pocket.

Politicians are losing the rest of their credibility. Party discipline and probably corruption drives them in the wrong direction.

The secret sects have filled many top positions with their siblings. Companies managed in this way implement the ridiculous rules of distance, masks and others particularly meticulously. Serves the purpose of the scaremongering strategy.

13. Question:

**Is the compulsory vaccination coming?**

Answer:

I hope not. MERKEL wanted to have this plan approved by the Bundestag on 15 May. Because of the mass protests, she had to step back. The EU should now decide. The apparatus in Brussels is directed by MERKEL and MACRON. Instead of coercion, there is talk of a compulsory system. Only vaccinated persons will then be able to practise certain professions, travel or go shopping freely.

*Compulsory vaccination through coercion.*

*The late ULBRICHT also assured that he would not build a wall. And then he built it.*

*It's absurd to impose a vaccine against CORVID-19 anyway, because we don't even know which viruses will be rampant in the next flu season. There is not only vaccination, but also promising therapies. US President Trump relies on the treatment method with hydroxychloroquine developed by RAOULT, which was immediately declared as dangerous by the French government and our servile scientists. When I speak to my French-speaking fellow Confederates about RAOULT, many react with disparaging comments. The brainwashing of the cartel media is working.*

*But he is more intelligent than the French health politicians. To instill fear, they claim a Corona infected person would not develop immunity. RAOULT countered by saying that if the disease did not produce immunity, the vaccination programmes were idiotic. One to zero for RAOULT.*

*TRUMP does not want any compulsory vaccination. He is said to have a son who has autism - a harmful side effect of a vaccination. He is advised by the lawyer Robert KENNEDY (nephew of former president John F. KENNEDY), who has exposed the harmful side effects of vaccinations.*

*The countries, such as South Korea, Japan and Sweden, which have simply gone through with it, demonstrate all the madness of the WHO strategy.*

*So Bill GATES & Co have not yet reached their goal.*

*14. Question:*

*What future are we facing ?*

*Answer:*

*After this crisis humanity finds itself either in freedom or in enslavement. We are living through a third world war. CORVID-19 is not the destructive biological weapon The WHO, controlled by Bill GATES and ROCKEFELLER, has triggered off war on the Earth's*

*population without war declaration. The war will not be fought with conventional weapons. Warfare is spiritual and psychological.*

*The Swiss Federal Council has betrayed my country. It has ceded independence and our neutrality to the creatures who want to impose the New World Order.*

*The Chinese XI JIPING cannot be trusted. He's too much courted by the WHO. In contrast, US President TRUMP has cut the grass from under the feet of this corrupt UN colossus by cutting America's contributions to this Moloch.*

*PUTIN will not take part in this either. This extremely intelligent statesman has manoeuvred himself into a position from which he can play the referee. Although he is allied with China and Iran. But a defeat of the USA is not in Russia's interest. China would then dominate.*

*It looks like PUTIN has entered into a tacit alliance with TRUMP on the Corona issue. And the popular masses will wake up.*

*Freedom will win*
