Role assumed in the affair [LÉGRERET](#)

OBERHOLZER was one of the federal Judges of the court of penal law having rejected the recourse of François LÉGERET concerning a revision request with the argument that his brother Jean-Marc had benefited from the favours of the judiciary apparatus. This is concerning the ATF 6B-793/2015 of January 20, 2015.

This individual appears in our database as of 2005. Early 2016, he figures with 5 negative references, including 2 judicial crimes.

OBERHOLZER knows his crony **COTTIER** perfectly. This is the Prosecutor who shall be registered in the Guinness Books of records for having succeeded to have two innocent men condemned to long prison sentences:

François LÉGERET. See the book *Affaire Légeret – Un assassin imaginaire*. Jacques SECRETAN, Editor Mon Village, 2016

Laurent SÉGALAT. See the 4 books: *Le procès SÉGALAT – Un acquittement contesté*. Jacques SECRETAN, Editor Mon Village, 2012. *L'affaire SÉGALAT*. Ian HAMEL, Editor Belvédère, 2013. *Nuits blanches d'une robe noire*. Gilles-Jean PORTEJOIE, Editions du Moment, 2015. *Une condamnation bâtie sur du sable – L'affaire Ségalat*. Jacques SECRETAN, Editor Mon Village, 2015. *The Unmasked «Constitutional State»*. Gerhard ULRICH, Editor Samizdat, 2016.

OBERHOLZER did confirm those two condemnations in his position as a Swiss federal Judge, based on nothing. In our former evaluation, he had been designated so far as a «useful idiot» at the Swiss Federal Court. However, he has received the book *The Unmasked «Constitutional State»* by registered mail of February 29, 2016, and the book of SECRETAN *Affaire Légeret – Un assassin imaginaire* by registered mail of June 17, 2016. **Consequently, he is perfectly informed COTTIER to be an abhorrent Magistrate.** He has thus lost the bonus to be considered a naive ignorant.

Victims of this corrupt Magistrate:

François LÉGERET (victim of judiciary crime)

Laurent SÉGALAT (victim of judiciary crime)

Number of positive references: 0

OBERHOLZER is cooperating knowingly with COTTIER, who's criminal energy does not need to be proven again. OBERHOLZER is thus operating in full awareness for nursing the corruption in this country in favour of the few privileged Oligarchs.
