Paul MARVILLE †

Paul MARVILLE, disappeared on June 3rd, 2014

Funeral notice of the Vaudois Lawyers association

It is an open secret that MARVILLE has been constraint to take «the Pill of the Freemasons». These sectarians are defending their members tooth and nail, but if a certain level is passed (risk of bad publicity), they punish the offender severely.

Profile

Born in 1960. Issued from an catholic French family with many children, immigrated to Switzerland. Lawyers licence in 1992.

MARVILLE did build up a reputation as a Lawyer specialized in penal affairs and divorces, as well as in big finance.

Being a Freemason, this Lawyer did benefit of a large network of relations, which granted him an exceptional power to pollute judgments.

Some victims of this Freemason Lawyer:

Danielle RUSSELL

Gerhard ULRICH

Marc-Etienne BURDET

Lucette CHRISTINAT (see below)

Michèle RYDLO (see below)

Master Scheming

The almost complete dysfunctioning of the judiciary apparatus of Vaud and Switzerland would not be possible without the support of certain Lawyers. However, we do not want to avoid to generalize for not discrediting the correctly acting Lawyers.

Let's take the case of the Lawyer Paul MARVILLE, domiciled at Route du Village 20, 1066 Epalinges and having his Office at BRIDEL – KATZ – HALDY – MARVILLE & STÄMPFLI in Pully.

As most Lawyers, Paul MARVILLE got specialized. He did specialize for betraying his clients, having actually a preference for Ladies. He believes him to be irresistible with his charm and is perfectly playing the cunning Lawyer.

*Bad luck for the clients who are crossing his path. Mrs. Lucette CHRISTINAT (75 years) did make this sad experience. She had been married with a farmer at Cudrefin VD who was stricken with disability in 1966. She had 3 children to care for, and the disability rent did not cover the needs of the family. So, she ran a poultry stock, in addition to an accessory activity. Her husband died in 1987, and she inherited the usufruct of the house. But the same year, her oldest daughter went bankrupt. Lucette CHRISTINAT was dropped by the fraudulent notary of Avenches VD Philippe BOSSET, and Mrs. Christinat had to do with the Officer of the enforcement Office of La Broye, B. VARIDEL, a vulture. In 1989, already retired, her house with all the movable property which it contained was sold in an auction. She was summoned to leave the house within 3 days, having no money and even leaving behind the furniture which she had brought into her marriage! She has never seen a single franc for her legitimated part of the heritage. She did never recuperate a single object, not even the family photographs up to date. The Darbyste VARIDEL, as a partner in crime with the outlaw «Judge» **Philippe COLELOUGH** had decided illegally and mercilessly to satisfy the creditors of her daughter.*

From 1992 to 1993, Lucette CHRISTINAT had made use of the services of the Lawyer Paul MARVILLE. He strictly did not do anything against this abuse of power of the Vaudois authorities – a pure theft on the back of a helpless, retired widow. But he dared to send her an invoice for CHF 7'000.- of Lawyers fees. His client did not know wherefrom to take such an excessive amount. She is living of a modest AVS old age insurance rent and is still working, being in the meantime 75 years old!

Paul MARVILLE did play as well a shameful role in the case of the spouses **Oswald and Danielle RUSSELL**. We did publish this corruption affair of the «Judge» J.-A. WYSS on June 17, 2001. MARVILLE sold his clients straight away to this corrupted «Judge», and the ripped off couple did pay a high price for this betrayal – from the point of view of the finances and of the health.

The juiciest victim for Master Scheming was probably Mrs. Michèle RYDLO. This intelligent and courageous woman did bring up alone 2 children, now engaged in university studies. She had experienced a divorce procedure, lasting 10 years! Her husband, mentally ill had attempted at hers and her children live. Thanks to the «care» of the «Judges» Pierre-Louis CORNU/Pierre CHAPPUIS and the first investigating «Judge» of La Côte, Jean-Marie RUEDE, that charge ended with a dismissal.

On this background, other crimes added: Theft at the national library in Bern, fraud of the disability insurance, forged documents, resulting in judiciary harassment of the Lady and her children, lies of the cantonal and Federal Courts. None of these offenses has been pursued. The strong point of Jozef RYDLO, the ex-husband, is his knowledge of the Swiss History during World War II, due to his studies undertaken at the secret archives of the Vatican, documents at hand.

However, it would have been impossible to commit all those denials of Justice and abuse of authority without the contribution of the Lawyer MARVILLE who had been defending Michèle RYDLO between 1996 and 2000. MARVILLE is a personal Freemason friend of the investigating «Judge» RUEDE (sic !). MARVILLE betrayed his client, probably at a high price. Since Michèle RYDLO had always maintained her courageous line of conduct, she was disturbing many members of those cunning cronies. So, one decided to have her payed in another manner. The Lawyer MARVILLE started to spread defamatory rumours concerning Michèle RYDLO. She lodged a complaint. But evidently, the Magistrates have to return services to Master Scheming. The investigating «Judges» A. PAGE and Alain MEISTER of the arrondissement of Lausanne pronounced a dismissal, in spite of all the evidences. Master Scheming is fully integrated into the judiciary system. He is untouchable.

MARVILLE is benefitting as well of that privileged position in his own divorce case. Usually, the husband has to leave the family housing, even if there are no children, or he is even brutally expelled by enforced procedure (the author is speaking in full knowledge of that matter). But if a Judge or a Lawyer is involved, le law is applied in the opposite way: Mrs MARVILLE had to leave the house with the 3 children.

It is well paying for a Lawyer to betray his own clients. The taxation office has taxed Master Scheming for the period of 1997 – 1998:

Taxable Income	362'000
Taxable fortune	471'000

The bribes are hardly included in these taxation figures.

Sincerely yours

Gerhard Ulrich

My struggle against the judiciary arbitrariness did start in the year 2000, and I was facing first time knowingly a Freemason in the person of Paul Marville †, being member of the judiciary seraglio. Only 2 days after having distributed my flyer of

August 28, 2001 concerning him, on August 30, 2001 I yielded my first penal complaint for offense of honour of a Lawyer. However, the «instruction» of this complaint was dragging on during more than 5 years.

By judgment of the court of **WINZAP** of November 24, 2006, I was condemned among others for having allegedly infringed the honour of MARVILLE, although my denunciations in the affair of Danielle RUSSELL turned out to have been well justified.

Thanks to his belonging to the Freemasonry, the Lawyer Paul MARVILLE has been in a position to benefit abusively without limits, that is to say to betray and to bleed financially his clients.
